Join us for a FREE screening of Global Insights Stellar Award winning documentary by Vanessa Roth, June Beallor and Andy Friendly. *'Liberation Hero's, the Last Eyewitness'* and *'Who Won the War'*. Heroic World War II veterans vividly share their liberation journeys, drawing parallels between the past and present. These powerful eyewitness accounts from Steven Spielberg's USC Shoah Foundation Visual History Archive, share a cautionary tale and compelling reminder of what can happen when insidious hatred remains unchecked. With antisemitism, racism and xenophobia on the rise worldwide, this film serves as a call to action to stand against hatred in all its forms. As Alan Moskin, a featured Liberator in the film, says to a group of young cadets, 'The hate is still out there... It's up to your generation to change that.'
